**LICENSE PLATE LIGHT**

Install the license plate light, license plate light bracket, 1/4-20x 3/4" screws, and 1/4-20 lock nuts in the location provided in the box cover.

---

**LICENSE PLATE MOUNT**

Push the license plate nuts into the square holes in the box cover, then use the 1/4"x1/2" stainless steel screws to mount the license plate.

---

**PLATFORM LOCK**

With the platform closed and in the latched position, lock the padlock through the hole in the latch pin.

---

**PLATFORM DROP AWAY PIN**

Insert the platform drop away pin through the existing 3/8" hole in the upright back and then tighten using the supplied 3/8" nut.
