ALL-NEW HIGH-CYCLE RAILGATE

Tommy Gate's **all-new high-cycle railgate**, expertly designed for van and stake bodies, offers cargo handlers the smoothest action and toughest durability of any railgate in its class. By utilizing a steel-roller and leaf-chain pulley system, this medium-duty rail is ideal for high-cycle applications in any environment. Using the highest quality components while placing a priority on function and safety, Tommy Gate is proud to present the elite medium-duty railgate.

FEATURES

Wheel-guided rollers travel smoothly within the rail track.

Optional
Taper-integrated cart stops enable safe lifting of wheeled cargo without losing loading depth.

The highest quality bushings and bearings provide the high-cycle railgate with fluid motion.

Pulley-based leaf chain system balances maximum strength with consistent operation.

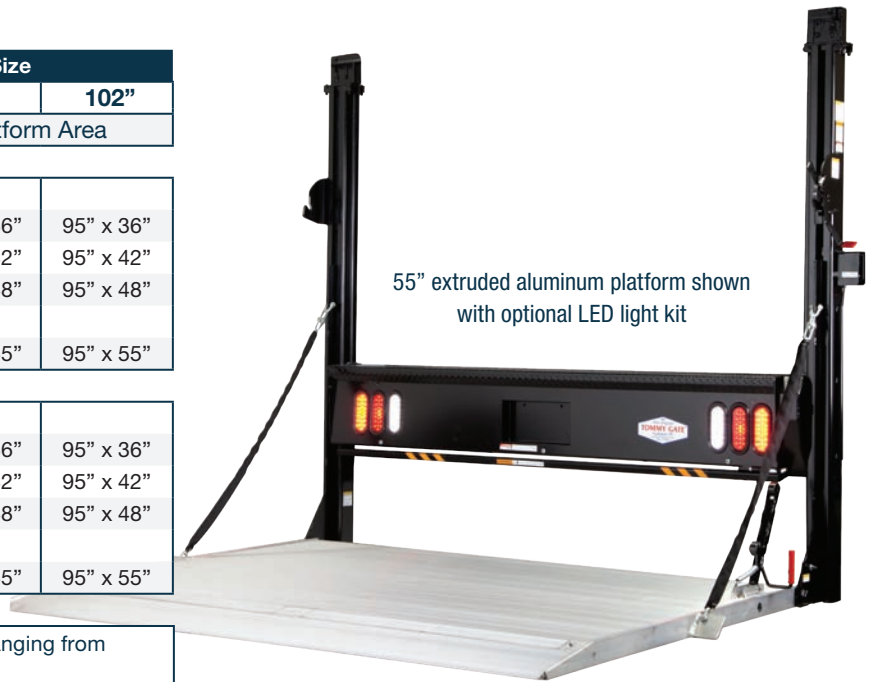

PLATFORMS

Body Size			
90"	96"	102"	
Loadable Platform Area			

2500 Lbs.	Steel Platforms			
	Treadplate - 36"	85" x 36"	89" x 36"	95" x 36"
	Treadplate - 42"	85" x 42"	89" x 42"	95" x 42"
	Treadplate - 48"	85" x 48"	89" x 48"	95" x 48"
	Aluminum Platforms			
Extruded Alum. - 55"	85" x 55"	89" x 55"	95" x 55"	

3000 Lbs.	Steel Platforms			
	Treadplate - 36"	85" x 36"	89" x 36"	95" x 36"
	Treadplate - 42"	85" x 42"	89" x 42"	95" x 42"
	Treadplate - 48"	85" x 48"	89" x 48"	95" x 48"
	Aluminum Platforms			
Extruded Alum. - 55"	85" x 55"	89" x 55"	95" x 55"	

Note Aluminum platforms are available in depths ranging from 35"-70", in 5" increments. Call for details.

55" extruded aluminum platform shown with optional LED light kit

OPTIONS

Option	Description
<u>Included at no charge</u>	
Light Kit	Three-light incandescent kit (two red, one white on each side)
Safety Trip Bar	Disengages the lift when an object is detected between the rising platform and the liftgate mainframe
Self-Close System	Cam-arm system opens/closes the platform automatically
Steel Rollers	Travel vertically within rail track
12" Platform Taper	One-piece, 12" taper for treadplate and aluminum platforms
<u>Additional</u>	
LED Light Kit	Replaces standard incandescent light kit
Split Cart Stop	Located in platform taper, secures wheel based cargo
Platform Bumpers	Set of four large bumpers
Dual Controls	Standard fixed control + remote pendant control
In-Cab Cut-Off	Enables power to be disabled from within the truck cab
